

Welcome to the Knoxville Convention Center

The success of the center is built on the talent and passion of our team of professionals who show the true meaning of Southern hospitality. The Volunteer spirit is evident from the moment you walk through the doors. Located in the heart of Knoxville, the center is within walking distance to many downtown amenities, including hotels, restaurants, shops and more. As a plus, the city's picturesque Urban Wilderness is just minutes away, ready to be explored. Inside the center, you'll find spacious, naturally lighted concourses, luxurious areas accented with Tennessee marble and a commissioned art collection representing the beauty and history of East Tennessee valued at more than \$1 million. The first convention center in the state to receive LEED certification for its green practices, we are dedicated to what matters to you and look forward to making your next event the best it can be.
